

WORLD ROSARY DAY 2024 DOCUMENTARY – Request for videos and images

To all WORLD ROSARY DAY 2024 Participants

Given the exceptional number and calibre of the registrations received,
including four International Sanctuaries and the Basilica of Santa Maria Maggiore in Rome, and the vast diversity of the countries involved,

we will try to produce a
“WORLD ROSARY DAY 2024 DOCUMENTARY”

a short movie of the World Rosary Day 2024 , in order to document this historical prayer event.

Such a movie would be a very effective vehicle for the promotion of the Rosary and of the Jubilee 2025.

It will be assembled by a professional movie production company in Rome, and it could be 30-45' long.

In order to achieve such a goal, it would be necessary for us to receive your video recordings and highlights of your WORLD ROSARY DAY 2024 celebrations, from which we could select appropriate footage.

The recordings would have to be in good quality definition and quality sound is important; this could be achieved also by using a smartphone.

PLEASE LET US KNOW IF YOU WILL BE STREAMING VIA YOUTUBE or FACEBOOK Live
